Disclaimer: Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of color, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. Limited Warranty: SIGNATURE warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviation, related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. The Company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.

Do not use nail and hammer while cutting such Corner, Groove, Angle, and Designs. Use only drill while cutting such Corner, Groove, Angle and Designs.

ENTERTAINED FOR AIR BUBBLES

Cutting a laminate sheet at an angle of 90° degree leads to development of cracks in corner after pasting. Therefore it is advisable to avoid cutting at an angle of 90° degrees.
